## **Análise e Previsões**

Few would have anticipated Slovakia beating Belgium nor Ukraine being brushed aside by Romania. The opening round results make this an extremely important fixture for both. Slovakia could seal progress to the knockout stages with a win, whereas Ukraine need a victory, especially with the Belgians to come, to give them a chance of getting out of the group.

Slovakia have strong foundations with David Hancko and Milan Škriniar at the back, leaving them confident of keeping a clean sheet against most and nicking a goal, as Belgium found out to their cost. If they can match their performance from the start of the week, then they will be optimistic of repeating the result.

Ukraine will be hurting after the humbling but there is plenty of quality available to Serhiy Rebrov. If he manages to get the best out of Georgiy Sudakov and Mykhailo Mudryk, Ukraine will look a very different prospect. The Shakhtar Donetsk man is tipped for a big-money move sooner rather than later, while the Chelsea winger already secured his, showing flashes of what he can do in the Premier League.

It should be an intriguing watch.

El presidente de México, Andrés Manuel López Obrador, dejará su cargo a finales de septiembre. Sin embargo, antes de hacerlo, es probable que vea cumplida una de sus últimas misiones: un profundo rediseño del poder judicial que, según él, es necesario para combatir la corrupción.

Los cambios propuestos por el presidente harían que el poder judicial dejara de ser un sistema basado en nombramientos para convertirse en otro en el que los votantes elijan a los jueces y haya pocos requisitos para postularse. Casi la mayoría de los 7000 jueces se verán afectados por la medida lo que convierte la medida en una de las más amplias en su tipo intentadas en cualquier parte del mundo, según los juristas.
