So far as an innovative version of the game goes, the Mini Roulette table is one of the best options you will have access to out there on the market. Developed by Playtech, this title comes with a

drastically reduced 2 wheel size, but none of the fun has been taken out. You may as well argue that there is more 2 to see and do in this version of the game as you prepare to explore new opportunities in real-time. The 2 game itself comes with a greatly reduced wheel size, but the payouts remain quite tempting, and since the game is 2 optimised for the market in Great Britain, you can rest assured that the experience has been tailored to the preferences 2 of roulette players of all stripes. Whether you play recreationally, try to outsmart the house or just place an occasional 2 wager - you will find the online Mini Roulette wheel to be a great way to explore the many permutations 2 of the classic game. Mini Roulette Characteristics Mini Roulette is a perfect fit for new and experienced players who are 2 willing to break away from the conventional gameplay of the classic version. There is not much difference between European and 2 Mini Roulette other than that you have only thirteen numbers instead of the traditional 36 and a single zero.

The wheel 2 size has been reduced to accommodate 0, 5, 12, 3, 10, 1, 8, 9, 2, 7, 6, 11, and 4 2 as the numbers allowed on the wheel.

One of the significant boosters to the experience in this version is that you 2 don't have to worry about losing money on the zero. The game allows you to claim back half of your 2 bet if the zero lands and you have not bet on it, similar to the La Partage rule in French 2 Roulette.

When you play the Mini Roulette game, you will notice that the house edge is slightly lower than a traditional 2 version of the game, at around 96.15%. While this is lower than most games, it's important to remind yourself that 2 there are other upsides of the game that you can fully explore, such as the La Partage rule built directly 2 into the gameplay.

Table Limits Bet Payout Minimum Maximum Straight up 11:1 0.25 25 Split 5:1 0.25 50 Street 3:1 0.25 2 75 Corner 2:1 0.25 100 Six Line - - - Column 2:1 5 125 Dozen 1:1 5 125 Even/Odd 1:1 2 5 250 Red/Black 1:1 5 250 High/Low - - -

Pros & Cons Naturally, every game of chance comes with some 2 advantages and some drawbacks. Players will enjoy a spot-on experience with the Roulette Mini game, but to get there, they 2 need first to understand the game for all its parts. Here, we have provided you with a quick read of 2 what you can expect when playing this version.

Cons The Mini Roulette wheel has a 96.15% house edge

It makes it harder 2 to play based on strategy Pros A fresh take on the classic roulette wheel

It can be played for free and 2 for real money

You have a La Partage rule on the zero

The zero lands more often than not

You can play the 2 game from mobile

Mini Roulette Rules The game is very easy to play. You see, the Mini Roulette set is straightforward 2 where you place a wager and spin the wheel. You can bet directly in GBP, which will add comfort to 2 the overall experience and make for truly rewarding gameplay overall.

Players are very welcome to explore any bet they wish 2 to back up on the layout, which should not be too difficult at all. There is nothing unique about this 2 game besides the La Partage rule that applies to the zero and promises to boost your gameplay a little further. 2 You will get to bet on the Outside and Inside Bets as you see fit and strive to generate the 2 best possible return. A traditional Martingale strategy may find itself a little challenged to succeed here, and that is why 2 it's important to ensure that you strike a balance between the wagers you place on the Inside and Outside Bet. 2 Thankfully, the game is also available as a free version, and you can explore that at your leisure. Conclusion Mini 2 Roulette is a fantastic version of the game developed by Playtech. The gameplay will take you to a simplified roulette 2 wheel which will nevertheless prove just as rewarding, bringing you some of the best possible combinations and gameplay opportunities. You 2 can play for real money and in a demo mode and have an excellent experience throughout your gaming session. Don't 2 hesitate to explore Mini Roulette and make the best of every spin of the wheel.
