In 2024, the US Supreme Court overturned a federal law that had banned sports betting in most states. Since then, many states have legalized and restarted regulated "sports betting", including online sports betting. However: Online casino gaming; such as those offered by Unibet, are not covered by this development and remains illegal in most states!

Unibet and other online gambling operators must comply with the law, of each state they operate in. And they may only offer their service in states where internet gambling is legal or they hold a local license? As of now: Unibet is legal and available in a few states; such as New Jersey

It's important to note that the legality of online gambling can change rapidly due to shifting political and legal landscapes. Therefore, it's always a good idea to recheck the most recent laws and regulations on your state before engaging in online gambling!

In summary, while Unibet is legal in some states in the USA, it is not legal on all states! Always ensure that you comply with your local laws and regulations when participating from online gambling?
