Online European Roulette is very easy to play, as players just place their wagers on the table; all of the action is handled by the dealer. There are three possible types of Roulette bets to place: Wager on an individual number or number range the ball will fall into. Wager on whether the ball will fall on a red or black number. Wager on whether the ball will fall on an odd or even number. Within each of these three bet types, multiple types of wagers are possible, broken down into Inside Bets and Outside Bets.
