Pros Over 3000 slot machines

Some countries are restricted

As a young betting provider, Megapari has also focused on eSports from the very beginning. This is welcome news, as it still looks a bit different with many providers. Here, however, you will find a wide selection and can bet on all relevant games according to our Megapari eSports test. For example, you can bet on matches in Call of Duty, Arena of Valor, Clash Royale, CS:GO, Dota 2, League of Legends, or Overwatch. You can also bet on Rainbow Six, Rocket League, Starcraft 2, Valorant or Warcraft 3.

Accumulator of the day

In the special bets, the provider has a unique selling point. You can bet not only on international TV events or political outcomes. For example, you can also bet on how the weather will be. Only in terms of eSports betting did it look a bit lukewarm at the time of testing. Although these are available, they are not as extensive as those of the competition.
