The security and integrity of the games we offer is paramount to our success. Read on for details of the measures we take to ensure this high level of security, as well as how you can help protect your account.

We operate online poker cash games and tournaments, taking a small amount from most cash game pots (in the form of 'rake') or tournament buy-ins (via entry fees) as financial recompense. Operating with this business model, the integrity of the game is paramount to our success. In fact, we maintain teams of game integrity experts to ensure no player could ever gain an advantage at the table through anything but their own skill and ability.

We rely on our hard-won, independently verified reputation for providing a fair and honest game. For this reason, allowing players any sort of unfair advantage, or 'punishing' any players with an unfair disadvantage, would be counter-productive and damaging to our reputation and our business. And as you can see below, would also be technically impossible.
