Why have I not received my first deposit bonus?

There may be several reasons why

you haven't received your first deposit bonus. Firstly, make sure you've filled in all of the required fields in your account. Otherwise, you won't receive your bonus.

Secondly, please make sure that you've deposited the minimum amount required to get the bonus. Then, make sure that you haven't ticked the "I do not want any bonuses" checkbox in your account settings.

Why did I get a smaller bonus?

20bet bonuses have maximum limits. For example, our 100% first deposit bonus is limited to €120. This means that if you make a deposit of €150, you will get a bonus of €120, not €150.
