## Robitussin: doxmetorfano, un medicamento de la tos con un posible nuevo uso como antidepresivo

Desde la década de 1940, Robitussin ha sido un producto básico en las farmacias estadounidenses. Sin embargo, desde la década de 1960, las personas han bebido botellas de jarabe para la tos recreativamente porque, a una dosis lo suficientemente alta, su ingrediente activo, la doxmetorfano, puede causar alucinaciones (también conocido como "robotripping"). Ahora, este ingrediente, común en muchos medicamentos para la tos, tiene un posible nuevo uso: como antidepresivo.

### Doxmetorfano: un antidepresivo potencial

En los últimos años, los estudios han encontrado que los antidepresivos convencionales solo son marginalmente más efectivos que los placebos inactivos biológicamente. Mientras tanto, las grandes empresas farmacéuticas realizan muy poca investigación sobre los medicamentos para la salud mental. Por lo tanto, los investigadores y los pacientes han colocado sus esperanzas en los medicamentos psicodélicos generalmente considerados alucinógenos, como la psilocibina o el LSD. Sin embargo, la evidencia de su efectividad como antidepresivo proviene de pequeños ensayos clínicos, uno de los más grandes que involucró a 233 personas, y ningún regulador nacional de medicamentos gubernamentales ha aprobado formalmente su uso para este propósito.

En este contexto, una empresa farmacéutica legítima ha trasladado silenciosamente la doxmetorfano más allá del robotripping a un tratamiento aprobado legalmente para la depresión, pero con una importante advertencia.

### Axsome Therapeutics y Auvelity

Axsome Therapeutics, con sede en Nueva York, comercializa un medicamento llamado Auvelity, que combina doxmetorfano con un medicamento que anula las alucinaciones.

Después de revisar las pruebas de la eficacia de Auvelity, la Administración de Alimentos y Medicamentos de EE. UU. (FDA) aprobó el tratamiento en agosto de 2024, y la empresa está expandiendo su red de ventas a medida que aumentan las prescripciones.

De esta manera, ofrece una respuesta desafiante a la pregunta espinosa en el corazón de la medicina psicodélica: ¿es necesario o perjudicial el viaje?

## Israel-Gaza War: At least 20 people killed in strike on refugee camp in central Gaza, says hospital

In the early hours of Sunday morning, Al Jazeera Arabic's journalists on the ground reported Israeli raids in Rafah in the south of enclave and in the vicinity of the Kamal Adwan hospital in northern Gaza, where raids were also reported in the sheikh Zayed and Zeitoun neighborhoods.

Updated at

## Key events

At least 20 people have been killed and several wounded after an Israeli airstrike targeted a house belonging to the Hassan family in al-Nuseirat refugee camp in central Gaza, the al-Aqsa Martyrs hospital said on Sunday.

Witnesses said the strike occurred about 3am local time. Palestinian official news agency Wafa reported that several children were among the injured people, and that rescuers were searching for missing people trapped under the rubble.

Fierce battles and heavy Israeli bombardments have been reported in the central Nuseirat camp since the military launched an offensive on Rafah in early May.

### **United Nations: 800,000 people forced to flee Israel's offensive in Rafah**

The United Nations said 800,000 people had been "forced to flee" Israel's offensive in Rafah, the southern city where hundreds of thousands of Palestinian civilians had sought refuge from Israeli bombardments. Israel's military says Hamas militants are located there.

"800,000 people are on the road having been forced to flee since the Israeli forces started the military operation in the area on 6 May", the Unrwa chief said on X.

## Latest updates

- Two Israeli soldiers were killed in a battle in the southern part of the Gaza Strip, the Israeli military said on Sunday. It said airstrikes hit more than 70 targets across Gaza with ground troops conducting raids in eastern Rafah, killing 50 militants.
- Joe Biden's national security adviser Jake Sullivan met early on Sunday with Saudi Arabia's Crown Prince Mohammed bin Salman to discuss what the kingdom described as the "semi-final" version of a wide-ranging security agreement between the countries.
- Hamas's armed wing, the Ezzedine Al-Qassam Brigades, said it fired a barrage of rockets towards Israel's port of Ashkelon and targeted an Israeli command centre at the Jabalia refugee camp in northern Gaza.
- In northern Gaza's Beit Lahia, witnesses reported airstrikes near Kamal Adwan hospital.
- Israeli war cabinet minister Benny Gantz demanded on Saturday that prime minister Benjamin Netanyahu commit to an agreed vision for the Gaza conflict that would include stipulating who might rule the territory after the war.
- Aid has begun entering Gaza via a temporary US-built floating pier. The Israeli army said 310 pallets began moving ashore in "the first entry of humanitarian aid through the floating pier". Satellite [casino booi](#) showed more than a dozen trucks lining up Saturday on its approach road.
- British security firm Ambrey said on Saturday it had received information that a Panama-flagged crude oil tanker had been attacked approximately 10 nautical miles southwest of Yemen's Mokha.
- Austria said on Saturday it will restore its funding to the UN agency for Palestinian refugees (Unrwa) after suspending it over allegations that staff were involved in the 7 October Hamas attacks. A total of €3.4m (R\$3.7m) in funds have been budgeted for 2024, and the first payment is expected to be made in the summer, Austria's foreign ministry said in a statement.
