Blast away the borgs in one of the best new Power Rangers Super MegaForce Games online on our website, which we know you've really loved a lot lately, so we have been adding more and more of them, and if you loved the previous additions, we are positive you're really going to love this action-packed one where once again you save the world!

Be the

best X-Borg Blaster of the Power Rangers!

Prince Vekar has sent out X-Borgs to destroy

Earth and its people, so you need to help the Red Ranger fight them off. To do it,

touch the Ranger and pull forward to aim your blaster, releasing to fire it. Like in most other puzzle games with shooting, aim to destroy all your targets with as few shots as possible, since they are limited.

If you do a perfect job, you get three

medals out of three, which is what you should always aim for, but even if one borg remains standing when you can no longer shoot, you lose and have to start the level again. Each one is more difficult than the previous one, but more fun at the same time, guaranteed!

We wish you all the best, fun as only here is possible, and you should definitely tell your friends about these games as well, don't you think they would love them?
