Relatórios sobre o movimento de Aung San Suu Kyi para a prisão domiciliar são "questionáveis", diz o filho

Reports of deposed former Myanmar leader Aung San Suu Kyi's move to house arrest are "questionable," her son said Tuesday, adding he believed the ruling military junta wants to keep her location secret to deter resistance attacks on the capital as a civil war rages.

Dúvidas sobre o localização de Suu Kyi

In an interview with **sportes**, Kim Aris cast doubt on recent reports in Myanmar local media, citing a military spokesperson, that 78-year-old Suu Kyi, the longtime democracy icon and Nobel laureate, had been moved from her prison cell ostensibly due to the unbearable heat.

"It's hard to know their motives. And as far as whether she's been moved or not, that's questionable as well," Aris told **sportes**'s Anna Coren. "There's conflicting reports coming out. In the past, they have said that she's been moved to house arrest and that has proved to be completely not the case."

Localização atual desconhecida

Aris, who lives in Britain, is the younger son of Suu Kyi and her late husband Michael Aris. He said he believes his mother is "either still in prison or she's in the residence of a military official." "Her only house is a house that she has in Rangoon and she's definitely not there," he said, using the former name for Yangon, Myanmar's largest city.

Processos e sentença

Crime	Sentença
Varios crimes politicos	27 anos de prisão

Suu Kyi has been detained in military custody since army chief Senior Gen. Min Aung Hlaing seized power in a coup on February 1, 2024, ending Myanmar's brief transition to democracy and plunging the Southeast Asian nation into a raging civil conflict.

Her condition and whereabouts have been kept tightly under wraps by the ruling junta and she has been photographed just once while attending a court hearing in the capital Naypyidaw in May, 2024.

Aris said his mother has been prevented from meeting with her legal counsel.

Embora os termos financeiros do acordo não tenham sido divulgados, o Vikings disse que a contratação estabelece um recorde para quem está fora dos quarterback na NFL.

De acordo com Adam Schefter, da ESPN e Ian Rapoport do NFL Network e Tom Pelissero (FNN), o contrato de quatro anos vale BR R\$ 140 milhões.

Os US\$ 35 milhões por ano que Jefferson ganhará o levam além do final defensivo de San Francisco 49ers, R\$ 34.000.000 Nick Bosa está fazendo anualmente para torná-lo no jogador não quarterback mais bem sucedido da liga.
