Gamers from around the world are attracted by the design of the entertainment portal Euslot Casino. Guests are greeted by the world of the Wild West, with various dangers and adventures. Users can plunge into a vibrant atmosphere and head towards adventures along with cowboys and sheriffs.

A separate group of entertainment on the site is represented by tables with live croupiers. Here you can not only have fun, but also chat with dealers. Bets are accepted only in money. Players like roulette. Knowing what elements roulette consists of, the rules of the game in it become outrageously simple. The player and the dealer participate in the game (if it's not an online casino, it's a usual non-live roulette). The croupier starts spinning the roulette wheel and a little later, when bets are placed, he starts the ball in the opposite direction. After some time, the ball goes to the cell with the number, after which the round is considered completed. The main task of the player is to guess which number or color or group of numbers will fall out by making a bet.

European and French roulette are essentially identical, but American roulette is very different. We can also conclude that in all roulette games the payouts are also identical, however, American roulette has 2 zero fields, which significantly reduces the chances of winning.

The main task is to guess the number of the ball falling into the hole. And in what variation to bet 35 to 1 or 1 to 1 is up to you. The main thing is to play roulette in our licensed online casino, without fear of winning a large amount of money, and to be deceived by the casino.
