Background:

Ricardo is a 25-year-old aspiring musician who dreams of making it big in the music industry. He spends most of his days working at a local bar, but his true passion is playing the guitar and singing. He comes from a humble background, and his parents can't afford to support his music career. Ricardo wants to make it big to help his family and give them a better life. He's tried various ways to make money, from performing at local bars to creating YouTube videos, but nothing seems to be working. Until one day, he discovers an app that could potentially change his life forever.

Specific Case:

Ricardo discovers an app called "Roulette Rock 'n' Roll," a new online game that claims to help users win real money. The concept is simple - users spin a virtual wheel and win cash prizes. The app has gained popularity worldwide, and Ricardo decides to give it a try. He downloads the app, signs up, and starts playing. He spins the wheel and wins a few bucks, but that's not enough. He wants to win big. He continues to play and starts to implement a few strategies he learned from his research. He bets on odd/even and red/black, trying to increase his chances of winning.
