Israel-Gaza War: At least 20 people killed in strike on refugee camp in central Gaza, says hospital

Key events

At least 20 people have been killed and several wounded after an Israeli airstrike targeted a house belonging to the Hassan family in al-Nuseirat refugee camp in central Gaza, the al-Aqsa Martyrs hospital said on Sunday.

Witnesses said the strike occurred about 3am local time. Palestinian official news agency Wafa reported that several children were among the injured people, and that rescuers were searching for missing people trapped under the rubble.

Fierce battles and heavy Israeli bombardments have been reported in the central Nuseirat camp since the military launched an offensive on Rafah in early May.

United Nations: 800,000 people forced to flee Israel's offensive in Rafah

The United Nations said 800,000 people had been "forced to flee" Israel's offensive in Rafah, the southern city where hundreds of thousands of Palestinian civilians had sought refuge from Israeli bombardments. Israel's military says Hamas militants are located there.

"800,000 people are on the road having been forced to flee since the Israeli forces started the military operation in the area on 6 May", the Unrwa chief said on X.

Estado de salud del primer ministro eslovaco, Robert Fico, mejora después de segunda cirugía

El primer ministro de Eslovaquia, Robert Fico, se encontraba en mejor estado de salud el sábado por la mañana, según el viceministro del país, después de haberse realizado una segunda cirugía para tratar las heridas que sufrió en un intento de asesinato el miércoles.

"Han ocurrido varios milagros", dijo el viceministro, Robert Kalinak, a los reporteros. Añadió sobre Fico que "está consciente, con todas las limitaciones de esta lesión grave".

Kalinak hizo estas declaraciones frente al Hospital Universitario F.D. Roosevelt en la ciudad central de Banska Bystrica, donde Fico fue trasladado después de ser disparado varias veces por un hombre armado.

El tiroteo, que tuvo lugar en la ciudad de Handlova, en el centro de Eslovaquia, fue el ataque más grave contra un líder europeo en décadas.

Fico fue disparado varias veces, pero Kalinak explicó durante una entrevista televisiva el sábado que una de las heridas representaba el mayor riesgo para la salud de Fico.

El viernes, dijo Kalinak, los médicos extirparon tejido infectado de la zona de esa herida en la segunda cirugía de emergencia que Fico ha tenido desde el ataque.

Debido a la gravedad de sus lesiones, dijo Kalinak, Fico no podrá ser trasladado a Bratislava, la capital y ciudad más grande de Eslovaquia, al menos durante unos días más.

También el sábado por la mañana, en la ciudad de Pezinok, en el oeste de Eslovaquia, a unos 12 millas de Bratislava, los reporteros eslovacos e internacionales esperaban frente a un edificio del tribunal mientras las fuerzas policiales especiales aseguraban los alrededores antes de traer al sospechoso para una comparecencia ante un juez.

Después de una audiencia a puertas cerradas, el juez ordenó que el sospechoso permanecería bajo custodia hasta que las autoridades puedan acusarlo y enjuiciarlo.

"La razón de la detención es el miedo a una posible fuga, así como la continuación de la actividad criminal", dijo Katarina Kudjakova, portavoz del tribunal.
