Barcelona winger Raphinha has slammed reports linking him with a transfer to Arsenal and Chelsea just 12 months after completing a move to the Nou Camp. Despite a slow start, the former Leeds star has scored ten goals and provided a further 11 assists in 45 appearances across all competitions for Xavi Hernandez's side this term.

Barca look set to win the La Liga title under Xavi and the Brazil international has played a key role in their success this season. However, Raphinha continues to be linked with a shock exit from the Catalan giants this summer given their ongoing financial problems.

Chelsea, Arsenal and Newcastle have been tipped to make a move for the Brazilian at the end of the season even despite a successful first season in Spanish football. The La Liga leaders are said to be open to selling the 26-year-old in an effort to raise funds as they look to strengthen their squad despite the financial restraints being placed on the club.
