Rollover, also known as turnover or playthrough, is the number of times you must bet the value of the bonus received before you can withdraw your winnings. For example, if you receive a bonus of €100 with a 5x rollover, you must bet €500 (€100 x 5) before you can withdraw your winnings.

Bwin's rollover requirement varies depending on the promotion and the type of bet. Some promotions may have a 5x or 10x rollover, while others may have no rollover at all. It's essential to read the terms and conditions carefully before joining a promotion.

The rollover requirement must be met within a specific timeframe, typically 30 days, and on specific sports events. Bwin may require you to place your bets on football or basketball games, for instance.
