It's a bit like Danny Boyle, a bit like Guy Ritchie, and a lot more harrowing than you might expect from a show called Stags. Daniel Cullen's six-part drama tells the story of a group of friends who go on a wild week-long party in an unnamed South American country to celebrate the upcoming wedding of one of them. However, things quickly go awry when they are sent to a godforsaken island prison run by two warring siblings.

Stu (Nico Mirallegro) is the groom, and Ryan (Corin Silva) and Ant (Charlie Cooper) are his best friends. They are the kind of friends who will help you find a £5,000 engagement ring you buried on a beach, even if they don't think through the logistics. But will they be able to save Stu from being tortured in prison?

The rest of the group includes Stu's university friends Hugo (Paul Forman) and Clem (Sophie Lenglinger), his fiancée's father and brother John (Cavan Clerkin) and Kai (Jojo Macari), and Greg (Asim Chaudhry), whose connection to Stu is unclear. When Kai buys drugs for the party, Ryan gets caught with them at the airport, and Greg collapses after one of the balloons full of coke bursts in his stomach. This leads to their arrest and imprisonment.

Once in prison, the group faces chaos and desperation. Clem disappears, John and Kai set out to find the prison governor, and Hugo is left to care for Greg. Meanwhile, Stu, Ant, and Ryan search for a doctor. The tension and dread build as the group faces impossible challenges and difficult choices.

The first episode of Stags is a thrilling and expertly crafted ride, filled with conflict and grounded in a premise that feels all too real. With stunning visuals and strong performances, it's easy to become invested in the fate of these foolish but likable characters.
