Em abril de 2010, é anunciado que o jogador será o primeiro da NBA a jogar como defensivo e passou a usar o nome de Jordan Brandenback desde a primeira temporada como titular em 2011.

Em 31 de dezembro de 2011, foi anunciado que ele passaria a ser um dos principais receptores, juntamente com o ala de Kareem Abdul-Jabbar.

Em 2012, o jogador anunciou que já era um receptor reserva do banco de reservas.

Em 24 de março, uma parceria com o treinador do Boston Celtics Jason Kidd foi anunciada, sendo Jordan Brandenback o titular da equipe.

The Best Online Poker Sites of 2024

With Texas Hold'em slowly

becoming the favourite pastime for many, we have seen a big increase in the number of online poker sites, all of them offering enticing bonuses and supposedly great deals to attract new customers. While some of these gambling venues are indeed reputable websites that are known for keeping their word, others are not so fair and secure as it is being advertised, so one of our main tasks will be to only present you the most reputable poker rooms on the web that also offer an exciting gaming experience.

As

opposed to poker players from other parts of the world who can register and play poker at just about every poker room on the web, poker enthusiasts from the United States received a massive blow when top US friendly poker rooms were shutdown in the even also known as Black Friday. There are still several very good online poker sites that accept players from the United States and we are going to pay extra attention to those gambling venues so as to make the job easier for the US poker players.

With so many poker

websites offering Texas Hold'em at the moment, you are likely to need some help when choosing the gambling venue that best suits your playing style and the size of your bankroll and that is exactly why reviews of the top online poker rooms will take the centre stage here. Our poker experts have gone to extra lengths to assess every area of what these poker rooms have to offer, just to compile informative reviews that should help you find your perfect poker website.

Mobile poker is on the rise and is expected

to grow in popularity in the coming months. We have devoted a section for just mobile poker online and expect to see the number of poker sites for mobile phones, smartphones and tablets go up in numbers in a near future. We will follow this trend closely and make sure to list the best poker rooms for mobile play.

Before you open an account at

one of these grounds and start to play poker online, you need to see if the poker room has a special welcome package for new players or if they constantly offer attractive promotions for existing customers. That is another thing that you can find right here on our site, with the best sign-up bonuses and hottest promotions constantly updated to make sure you are always up to speed with the best promotional offers on the web.

All

you tournament lovers will be happy to hear that we will pay special attention to the most exciting tournaments from top online poker sites, with the best selection of Sit'n'Go's, Freerolls, Guaranteed Prizes and Double or Nothing tournaments just a click away.

If your dream is to take part in a real poker event with professional players and test your skills against the best there is, then stay tuned to Poker Net online, because special packages with seats to World Poker Tour and other live events is another hot commodity that can be found right here on PokerNet
