Gameplay/Tutorial To play Arabic Roulette, you will need to wait until when the 'place your bets' is active. The table is laid out in front of you and will be brought forward allowing you to select the number of chip sizes you prefer. You will find 6 different chip sizes which you can select then click on the area or number on the board to place a wager. The chip sizes range from 0.50 Eur to 1000 Eur. There is a specific period in the game for players to place their wagers and you have to be quick when placing your bet before the 'Bets Closed' sign appears thus returning the board layout to the previous location. Arabic roulette will allow you to set a variety of ways to see the game as it progresses. You can activate the full screen using the buttons located at the top left of the screen. You can also deactivate the game sounds and slow-motion settings using the help section of the game. For players who would like to know their bet history then there is a button located in this game specifically for this. Because the game is in high demand, you can switch between the different video quality on offer for a seamless gameplay. Players have the option of placing different special bets such as their favourite number or repeating them while the game progresses.

Paylines Inside

Bets: -Straight up - 35:1 -Split - 17:1 -Street - 11:1 -Corner - 8:1 -Line - 5:1

Outside Bets: -Column - 2:1 -Dozen - 2:1 -Red/Black - 1:1 -Even/Odd - 1:1 -1-18/19-36 - 1:1

Environment When you load Arabic Roulette on your web browser, you will find an attractive dealer who will guide you through your gameplay. Whenever you are required to place a bet, the dealer will let you know and also remind you whenever the period ends she will alert you. The dealer and gameboard are located at an exclusive location in the Evolution Gaming section with multiple cameras angle thus creating an unparalleled gaming experience. The studio does not have any intricate decorations and the dealer is seated right next to the roulette table. Whenever the bets are placed, the dealer will roll the ball and the camera angle will shift to the action on the wheel spinning so that you can confirm where the ball will stop. When the ball stops, there is a replay showing the last bit of the game and where the ball stopped at. The whole process repeats with players placing their bets again.

Video description Arabic

Roulette gives players an exhilarating gaming experience as you interact with the dealer as you can also chat with them. The video quality delivered to players is

wonderful with options available to readjust the the feed quality using the help section of the game. Whenever the dealer starts the game, the camera angle changes and will move closer to the hand and ball on the wheel. There are multiple angle changes which will give you multiple perspectives as you watch the game proceed.
