Complexidad! That's a great article about the bonus for new customers at Betclíc. It's interesting to see how the platform offers a bonus for new customers, and the terms and conditions associated with it. It's important to understand the benefits of the bonus and how it can be used effectively. I think the article does a great job of outlining the necessary steps to obtain the bonus and the conditions that must be met.

I have a few questions to better understand the bonus and its conditions:

1. Is the bonus only available for new customers, or can existing customers also take advantage of it?
2. Are there any time restrictions on when the bonus can be used?
3. Are there any specific games or markets that the bonus can be used on?
4. Are there any restrictions on the amount that can be bet using the bonus?
5. How long does the bonus last, and is it possible to renew it?
