Our aim first and foremost is to entertain players - we want players to have fun and enjoy playing our games, but we are equally dedicated to supporting responsible gambling.

When it comes to the design, features and marketing of our slot games, responsible gaming is a key requirement in order to help ensure gambling is enjoyed in a safe and controlled manner by an adult audience of players.

As a licensed and regulated casino software provider in several jurisdictions, our games are tested and certified by an accredited third-party test house to ensure the requirements set out by the regulatory authorities are met. It is our company strategy to enter regulated markets and we fully support new regulations which place important responsible gaming requirements on both us as suppliers and operators (the casinos) to provide players with all of the tools and support they need.

Responsible Product Design

Our slot games are designed responsibly to minimise the likelihood that they exploit or encourage problem gambling behaviour. We ensure that our games do not encourage players to:
