Apesar de o foco estar nos Hornets, é importante antes abordarmos o histórico dos Bulls contra os Hornets, dar uma rápida olhada no passado para entender o quão impressionante realmente é o recorde dos Bulls contra esse time.

Na temporada 1995-96, os Bulls de Chicago escreveram a história ao registrar 72 vitórias e apenas 10 derrotas ao longo da temporada regular. Um recorde impressionante que permaneceu inquebrado até a temporada 2015-16, quando o Golden State Warriors estabeleceu um novo padrão de excelência com 73 vitórias e 9 derrotas.

Mas como é que os Bulls, naquela épica temporada, conseguiram tamanho feito e o que isso representou para o mundo a entender que eles estavam de volta, determinados a dominar de novo a NBA?

O Rivalidade Bulls x Pistons

Antes de voltarmos a nossa análise dos confrontos entre Bulls e Hornets, vale a pena destacar rapidamente a intensa rivalidade entre os Bulls e os Pistons, outro adversário com o qual os torcedores de Chicago historicamente tiveram bons confrontos.
