Sometimes you can also choose the camera angle. The pace of the game remains the same, and you can also chat with the dealer during play, should you require any help.

No. A casino live experience includes everything needed as part of the regular casino lobby and can be accessed from the same account and browser window. As such, you will be able to click on a tab and play your favourite casino game in the live casino.

If you're a fan of table games at your local casino, then the good news is that you can play most of them at online live casinos.

The most popular live games are live baccarat, blackjack live, poker and roulette. They are popular because of their simplicity. Sometimes they are not only easy to learn and understand, but a new player can easily pick up the critical elements in a few minutes. Additionally, you can spend some time interacting with real-life dealers. This gives a much better experience than using software because the dealer is an actual person who you can ask questions to during the game. At Liveroulette you can also find a selection of top
