What are the odds of hitting green in roulette? The odds for green in roulette depend on the version of the game. Since the American wheel has two green pockets, the odds of hitting either of them are 2-in-38, or 5.26%. In the European format, this drops to just 2.70% since there is one only green pocket on the wheel.

How do we rank the best online roulette sites?

We have conducted thorough research to ensure that no website was overlooked when compiling our list of the top roulette sites.

During the ranking process, we considered numerous factors. In the following sections, we will discuss the methods and rationale behind how we determined the best options.

Great bonuses

When customers consider a new roulette site, one of the initial aspects they seek is an appealing bonus. A compelling offer often convinces individuals to join a particular casino operator, and for many, picking a welcome bonus depends on the wagering requirements – the lower, the better.
