The real-life roulette experience can be enjoyed from the comfort of your home! At 32Red, we feature an assortment of live roulette tables that get you closer to the action than ever before when playing online. Engage and build a rapport with the dealer, put down your chips when 'Place your bets' is called, and watch every bounce of the ball as you hope it lands in a segment you backed.

To cater to every player, you also won't only find one or two live roulette options at our casino. We are home to a diverse collection of games covering the following variations: Standard, London, French Gold, Double Ball, Speed, Auto, Auto (La Partage), Immersive, and VIP Roulette.

Live Gaming Takes on a Timeless Classic

Roulette is one of the most legendary casino games around. For hundreds of years, the simple yet exhilarating gameplay has delighted players as they wait to see the final resting point of the ball on the roulette wheel. Once the game made the jump to the online realm, little changed in terms of how it functions. The saying, 'If it ain't broke, don't fix it,' comes to mind.

This logic has been utilised for live roulette. The standard game remains exactly the same as standard online roulette. The only differences you'll find in terms of gameplay are based on the roulette variation you choose. With that said, there are two games at 32Red that provide a fresh, exciting twist to the action: Speed Roulette and Double Ball Roulette.
