Tiki Runner 2 DoubleMax: Slot Overview

Tiki masks have a long history in Polynesian culture and are famous around here because they emerge at regular intervals in online slots. They've become one of those things certain game studios have developed a fondness for, usually brought to life in a humorous, pally way. One such studio is Bulletproof Games, releasing a slot a couple of years prior called Tiki Runner, which involved cascading wins leading to free spins and a progressive win multiplier. With the help of partner Yggdrasil and their DoubleMax mechanic, the win multiplier has been exponentially blown out.

If you've played the original Tiki Runner, then the DoubleMax version will feel familiar right from the get-go. Not much has changed visually, where the gaming takes place on a 5-reel, 3-row game panel, which looks bigger than it is because it's surrounded by so much supplementary stuff. Underneath the grid is a cascades trail, and on the right is a win multiplier meter, all flanked by a pair of big expressive tikis. The base game is held on a powdery white sand beach before seas and mountainous islands, before shifting somewhere darker for free spins.

Switching to

the math side of things, RTP is up first and has dropped slightly compared to the original, producing a value of 95.5%. Providing 20 fixed paylines, players can look forward to a line win around 28% of the time, triggering a cascade mechanic, which is central to the whole Tiki Runner 2 experience. While the tikis in the game look pretty happy go lucky, don't be fooled, the math model is a medium-high volatile one, with significant rewards on offer; maybe that's why they're smiling so much? Any device may be used to crack the big dollars, selecting bets of 20 p/c to R\$/€50 per spin in the process.

It all starts with landing a humble line win, which occurs when at least three matching symbols land across a payline from the left-hand side of the panel. Symbols have pretty much stayed the same as before, too, meaning five square-cut oranges, kiwifruit, pineapples, coconuts, and watermelons as the low-value symbols. These pay 1 to 2x the stake for a five-symbol hit. Then we get three tiki characters and the game's logo as the high pays. Landing a five premium symbol combo triggers a payout of 2.5 to 10x the stake. A big grassy wild symbol helps here, created when winning symbols are removed by the cascade feature to substitute all regular pays.

Tiki Runner 2 DoubleMax:

Slot Features

The majority of the features on offer are the same as were found in the previous Tiki Runner slot, with the exception of one major twist. If you've played Raptor DoubleMax, you'll no doubt be aware of the potency of its DoubleMax feature. It's been put to good use here, starring alongside other features such as cascades, free spins, Encore Mode, and possibly a bonus buy.

Cascades

Cascades are the tinder box that may or may not set Tiki Runner 2 DoubleMax on fire. When a winning combination lands, it is removed from the reels, and any empty spaces are filled by symbols dropping down. Keep in mind, a wild symbol will be placed in one of the empty positions. Not only is it possible to win more than once off a single spin, but consecutive cascades move the Tiki Runner character along the free spins trail at the bottom of the screen and also activate DoubleMax.

DoubleMax

Each cascade win increases the win multiplier by x2 with no discernible limit aside from the win cap. In the base game, the DoubleMax multiplier resets between spins.

Free Spins

Players win 7, 10, 12, or 15 free spins when 5, 6, 7, or 8+ consecutive cascades occur during the main game. In free spins, the big difference is the DoubleMax multiplier does not reset until the feature comes to an end. In addition, the tiki runner awards 3, 7, 10, 12, or 15 extra free spins when 4, 5, 6, 7, or 8+ consecutive cascades occur.

Encore Mode

Free spins

have a frequency of 1 in 240 when triggered organically, or theoretically less if players activate Encore Mode. Doing so increases the stake by 50% and reduces free spins frequency to 1 in 110, on average. Similar to the way it was used in Crystal Falls Multimax, it does this by changing two positions on the cascade trail to respins. So, if cascades end there, a respin is awarded to give players a chance to get the cascade they need to trigger free spins.

Buy A Bonus

If Encore Mode isn't fast enough, players in permitted countries can buy free spins right away for the cost of 100x the bet. This sets the player's position on the free spins trail to 7. Before free spins begin, players get a free respin where it is possible cascades increase the number of awarded free spins.

Tiki Runner 2 DoubleMax: Slot Verdict

If you liked the multiplier

growth effect possible in Raptor DoubleMax, then be sure to give Tiki Runner 2 DoubleMax a crack as well. The doubling power of its win multiplier is just as alive and kicking in the tiki-filled Pacific Ocean as it was in the dino era of Yggdrasil's release. In saying that, players will undoubtedly gravitate towards one over the other. For some, the engaging B-movie-like quality of Raptor DoubleMax's theme will be the winner. Others may prefer cheerful tiki led antics, though Tiki Runner 2 DoubleMax does score a few less cool points for being a remake rather than a brand-new experience.

However, Tiki Runner was a shrewd choice for a DoubleMax makeover. For one, it already had a progressive multiplier in free spins, and the cascade, cascade trail makes it the perfect partner. It was a short step from there to the roller coaster provided by the DoubleMax feature when it's blowing up. Like Raptor DM, multiplier

values can reach dizzying heights rarely seen elsewhere, potentially even in the base game, though seriously helped in free spins since it does not reset. Here, wins circa 20,000x the bet are possible, presumably with some sort of cap in place lest they go parabolic with all the multiplier doubling going on.

In some ways, putting something like the DoubleMax feature on anything would transform it from obscurity into a high-powered thrill machine. Such is the power of exponential gains. The good news is the rest of what Tiki Runner 2 DoubleMax has to offer is quite good in its own right, so players who liked what they saw in Raptor DoubleMax should be enticed. On the whole, Tiki Runner 2 DoubleMax wasn't quite as richly alluring or as singular as Raptor DM was but deems itself a playable slot.
