Top 100 Bookmakers is a first comparative database of online bookmakers.

Top 100 Bookmakers was developed with an ambition to simplify the sports bettors the difficult and time-consuming process of selecting a bookmaker to bet with. Nowadays, there is overwhelming number of bookmakers operating online and to find the most suitable one can be a very tedious task. Trustworthiness, sports variety, or bonus offers - these are only a few things which are advisable to be taken into consideration.

Our goal is to make this task easier. Top 100 Bookmakers brings you a full list of bookmakers operating online and collects all the crucial facts about the most visited of them (the ranking is based on bookmakers website traffic). While offering this information, we do our best to respect the following principles:

Objectivity

Top 100 Bookmakers takes an equal approach to all online

bookmakers, none of them is preferred because of affiliation. Bookmakers ranking is a result of evaluation of bookmakers website traffic as an objective indicator.

**Up-to-dateness** 

Periodical update is the only possibility of following

fast-changing facts such as payment methods or bonuses. Information provided by Top 100 Bookmakers is updated continuously, bookmakers ranking on the first day of every month.

Comparability

Comparing bookmakers by individual criteria offers users quick

answers about specific issues (e.g. signup bonus size). Our comparison tables compare online bookmakers by about 40 criteria.

User-friendliness

Every information loses its

value if it's not presented in a user-friendly environment. Top 100 Bookmakers achieves this by standardization of bookmakers profiles and the use of comparison tables.

Requirements for including bookmaker in the Top 100 Bookmakers List:

1/

provision of sports betting services as a substantial part of the bookmaker's website

2/ international operation of the bookmaker

3/ website traffic among the first

hundred online bookmakers

4/ English as a full language option

We reserve the right not

to list those bookmakers, which might be considered untrustworthy or whose way of conducting business may seem dubious.

Requirements for including bookmaker in the

**Bookmakers Ratings List:** 

1/ at least ten ratings collected from users

Rules for

submitting bookmakers ratings by users:

1/ only one rating of each bookmaker can be

submitted from one IP address

2/ repeated rating of the same bookmaker can be submitted

6 months after the previous rating

We reserve the right not to include such ratings,

which we consider to be suspect.
