### How to Play Live Football Studio

The magic of the world's most popular sport is perfectly captured in this fast-paced, exciting Casino game. Find yourself in a live football-themed studio, complete with video animation, live match commentary and chat from friendly presenters, with goal celebrations. Your challenge? Simply bet on a Home Win, an Away Win or a Draw. If you love football, you are going to love Live Football Studio. And even if football isn't your favorite sport, the simplicity and speed of this game will convert you!

### Live Football Studio Rules

Live Football Studio is very simple to play. Each game round you bet on either a Home Win, an Away Win or a Draw. Two cards are then dealt face-up on the football pitch-style table: one to the Home betting position on the table, and one to the Away betting position. The position that gets the higher card wins. Aces are the highest-ranking cards, with the rest of the cards following their natural values – king the next highest, with two the lowest card. The highest card always wins, regardless of the suit. If you bet on the draw and the two cards dealt are the same, then you are paid out at odds of 11:1. Winnings are paid for the winning bets at the end of each game round.
