Real poker, real people, good but not too fast pace, and no realR\$\$ needed. You just have to pick a table within your ability. I never do rating so believe me when I say this. Mostly though it's fun. Enjoy...

The games go pretty quick and you don't have to worry about people being annoying because there is no chat option that I'm aware of. But they need to work on the betting. Sometimes you can pick your bet size, but more often than not, when you try to raise your bet, the only option it gives you is to go all in. I try to raise to 25% of pot and my number doesn't change, from 1-100%, it's just all of my chips no matter what. Pretty annoying when you're trying to get some value. I've tried many, many poker sites and this my friends is - BEST!!!
