Are you ready to increase your chances of winning big? Look no further than the Rollover feature at Betfair!

Maybe you've heard of it, but do you know what the Rollover is? It's the amount of times you need to playthrough the value of the bonus received before you can withdraw any winnings.

But don't worry, it's not as complicated as it sounds! With the Rollover, you can get up to 8 times the value of your deposit as a bonus, with odds of at least 2.00. Sounds like a plan, right?

And let me tell you, it gets even better! There's a Promotional Code for new customers in Brazil, where you can get up to R\$300! All you have to do is use the code when you sign up and make a deposit. Easy peasy!

And did you know that with the Rollover feature, you can also increase your chances of winning in games like slots?! It's true! Give Clover Rollover 2 a try, for example. It's a game that's full of fun playability and has a progressive jackpot!
