If you're in the UK and betting on the NBA for the first time, or if you've bet on it before but still aren't 100% comfortable with how it all works, we're here to explain everything.

First, choose your betting site. You'll find our list of recommended UK betting sites for the NBA on this page. If you follow the links provided, you'll automatically be taken to the latest welcome bonus, which means you can get extra value on your first NBA bet.

Once you're signed up, head to the A-Z of sports and click on 'Basketball' or 'NBA' to explore the markets. Input your stake, click 'Confirm', and you're all set.

Aside from the logistics of where to click, there are also a few other things you should know about betting on the NBA at UK sites. We've explained them below.

NBA structure

If you're not familiar with the NBA, the structure can be a tad confusing at first. 30 teams are divided into divisions. They then play a significant 82 matches to see who can finish in one of the top eight positions and secure a place in the playoffs. This is made up of four matches against their four division opponents, four against their six conference opponents, three against the other four teams in the conference, and a couple of matches played against squads in the opposing conference.

Is it legal betting on the NBA?

Yes, it is 100% safe and legal to bet on the NBA from UK betting sites. That's assuming they have a valid gambling licence, which all of the sites recommended on this page do.

Contacting customer support

There are many things to consider when choosing an NBA betting site in the UK and placing your first bet, and customer support is right up there with the most important factors. Yes, you need good odds and high-value promotions, but if something goes wrong you'll want reliable customer service to fix it as soon as possible. Sites with largely positive reviews and 24/7 support are preferable.
