Ninjago Zane

LEGO Zane

APPEARANCE AND DRESS

WEAPON

Ice ninja Zane is considered a little

bit of strange, because he is the most dreamy and thoughtful of all fighters. Nobody knows what thinks icy hero in between battles, and that's why friends kindly laugh

about his antics. Zane joined Ninjago team quite late, when he saw one of their arena performances. He displayed wonderful persistency, will power and insistence, studying uneasy art of deadly warriors, that's why he's got due respect and acknowledgement in team. Zane is not very funny guy and often misunderstands his friends' jokes. He is not

offended by friendly jokes, but tries not to give cause for chuckles. He is very smart, likes to study new, often conduct experiments on him or friends. Sometimes he manages

to see the future and it helps Ninjago team in battles. Best friend of Zane in team is

Cole – they are notable for serious approach to getting any knowledge and are considered to be the best warriors in the squad. Succession of extreme conditions in

Ninjago world lead to deliberate inclusion of good friend of Zane P.I.X.A.L. (Primary Interactive X-ternal Assistant Life-form) into his artificial intelligence, that's why

Zane's appearance differs a little from other. Zane does not care much about his

appearance, and his icy hair always stands on end. Bright blue eyes combining with

black eyebrows prevent you from mixing him up with other heroes. Despite of the fact,

that Zane does not always understand friends and agree with their actions, he likes

them very much and is ready to give his life for any team member. He throws his heart

into studying and persistently repeats theoretical lessons or practical techniques till

he learns them very well. Taking part in battles (see game Ice Dragon Attack ), he often

uses icy shuriken, silver katana or air blade. Zane is not so fast as ninja Jay , but

he can solidly and competently clear space from enemies, keeping them away from the

team. He keeps the rank of "Master of Spinjitzu" and possesses all techniques of this

power very well.
